WORKSHOP!**

Learn Acting & Directing Actors from one of Australia's finest.

Myles has a Bachelor of Arts in Education (Secondary) from Edith Cowan University and a Bachelor of Dramatic Art in Acting from NIDA (National Institute of Dramatic Art).

He has appeared as an actor in many Australian television series including Australia's most successful TV series McLeod's Daughters. He has appeared on Home and Away, Packed to the Rafters, Underbelly, Double Trouble, East West 101, All Saints, Rescue Special, Itch 2 and Mystery Road 2 and is currently shooting Invisible Boys in WA. His feature film credits include Wolverine, Drift, The Turning, The War That Changed Us, Looking For Grace, Jasper Jones, The Gateway, Danger Close, How to Please a Woman, Before Dawn and most recently Frank and Frank. He begins shooting Frederickstown in March 2024.

An NIDA graduate and qualified High school teacher with twenty years teaching experience, Myles Pollard has successfully trained students

who have gone on to study at WAAPA and NIDA, acquired national and international representation and have been cast in local and international films and TV shows. With a firm foothold in the performing arts as a working stage and screen actor Myles brings relevance, experience and a genuine love for teaching to the table.

Myles has created an acting 'system' that helps students manage nerves, stay in the moment, actively listen, observe, be playful, embrace performance risk, create strong scene objectives, understand on set protocols, hierarchies, conventions, challenges and solutions. With a disciplined focus on the actors craft, Myles' framework helps actors honour the script, consolidate scene conflict, avoid stereotype and cliché resulting in a powerful short-hand that up and coming actors and directors could use to build confidence and performance integrity.
